DIRECTOR INTERNAL AUDIT

Born in Legnano in 1961.

After graduating in Business Administration and Management at Milan University “Cattolica del Sacro Cuore” he began his professional career in 1987 in Pirelli Group within the Internal Audit Department where he remained for 7 years.

He participated in the decentralization project of the function, gaining 2 years of international experience in France to develop an independent Internal Audit function. He also carried out advisory activities in support of the General Managers of the French-speaking units during this time.

In 1994 he began a long experience in the Administration and Control Department of Pirelli Tyre, where, in 2001, he was appointed Head of the Planning and Control Department, a position which he held until September 2006 when he was appointed as the Group Internal Audit Director until 2021.

In 2021 he joined the Acciaierie d'Italia Group, as Head of the Internal Audit Department with the aim of setting up and starting a new Internal Audit function, ensuring periodic relations with the administrative and control bodies.

Since July 2022 he has been appointed as the Internal Audit Director of the Saipem Group.

He has held various positions, in particular, as a member of the Supervisory Body of Pirelli SpA and, from 2014 to 2020, he was Chairman of the Italian Association of Internal Auditors (AIIA).

He is currently a member of the Audit Committee of Ferrero International S.A., director of the Board and member of the executive committee of AIIA, professor and member of the Board and of the Master in "Governance, Control and Auditing System in Public and Private Bodies" of the "Roma Tre" University.
